

COMPETITION

CREATE A HABITAT FACT FILE POSTER

Choose your favourite animal and design a colourful poster all about the habitat it lives in.

YOU COULD INCLUDE:

- Key facts about the habitat (What's it like? Where is it found?)
- What animal lives there and how it survives
- What threatens that habitat (Pollution? Climate change? Deforestation?)
- One small thing people can do to help protect it!

Your poster can be hand-drawn, painted, or made on a computer; just make it bold, creative, and packed with wild facts.

WIN

A YVC PRIZE PACK, AND BE FEATURED IN THE NEXT MAGAZINE!

HOW TO ENTER: ask an adult to send a photo of your entry to info@youngvetsclub.com or you can send it in the post to our office in Cornwall. Here's the address. WVS, Unit 1, Chenoweths Business Park, Ruan High Lanes, Truro TR2 5JT.

DEADLINE: October 30th
